

MEN'S DISCIPLESHIP GROUPS help men follow Jesus, become like Jesus, and help others do the same.

WHY DISCIPLESHIP GROUPS FOR MEN?

Most men know they have a deficit in their lives and need deeper connection with God and spiritual community with other men.

Accept the challenge to be in a group with other men to:

- **Develop Community** by building deep and lasting brotherhood through shared faith
- **Commit to Accountability** by creating transformative relationships founded on trust and honesty
- **Apply your Faith Practically** by having regular encouragement and accountability for everyday faithfulness to help you become more like Christ
- **Grow in Stewardship** by managing better your time, talents, and money
- **Make an Impact for God's Glory** by fulfilling the great commission through disciple making

LOOK BACK

Catch up, care for, celebrate.

What has God been doing in you since last time?

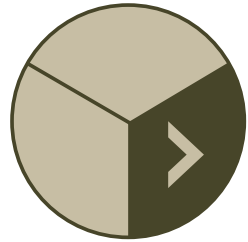

LOOK AT

Read, discuss, apply scripture.

What can we discover from God's Word today?

LOOK FORWARD

Set action steps and pray.

What will you do with what we just discussed?

BEST PRACTICES

- Open Bibles and lives. These groups should foster vulnerability and accountability through confidentiality.
- Open from the inside to all men. New members join by invitation-only. Diversity enhances the group experience.
- Open a spot at the table. Pray for and invite new or not-yet believers to join. Multiply when you reach 6 consistently.
